

RISE HATTIESBURG

HOT AIR BALLOON FESTIVAL

The inaugural **RISE Hattiesburg Hot Air Balloon Festival** will take place the weekend of August 12-13, 2022. The mission of this event is to gather as a community and be inspired to RISE together.

This free festival takes place on Friday afternoon and throughout the day Saturday, including food vendors, a variety of other vendors, informational booths, nonprofit organizations, activities for children, live music, balloon-themed activities, a "RISE" themed art auction, and more!

Weather and wind permitting, we plan to have hot air balloon festivities throughout the weekend, including balloons flying over town, meet and greets with the pilots, balloon glows and tethered rides.

This event will help support RISE and its mission to educate, encourage, and empower women and men to RISE to self-sufficiency. RISE, formally known as Pinebelt Christian Women's Job Corp, began in 2001 and became a 501c3 in 2011. Our purpose is to break the cycle of poverty through education, relational empowerment, and career and job skills training. We believe that if we teach career skills and how to become financially stable, we will not only help one person but also their children and family members. RISE is a "hand up" not a "hand out" program. We invest one full year into each participant, which includes free classes they are required to attend to graduate and a mentorship program. At RISE our number one goal is their success. In order to achieve these goals, we partner with fellow nonprofit agencies and rely on our generous and dedicated volunteers.

We feel that as a community we can come together, share resources, information, and skills, and help everyone RISE to success. Through working together our community can become stronger. We are excited to create this free event that everyone can enjoy! We have invited other nonprofits, all of our friends, and yes, we are inviting YOU.

Please consider supporting this event and let's help everyone in our community RISE together.
